MSc Launch & CPD Event at Newport University

Date: 25th November 2009

Hosted by: Newport Business School

The Accounting team at Newport Business School are pleased to invite you to the launch of our 'fast-track' MSc in Accounting and Finance / Financial Management. The evening will give you the chance to find out what the course entails and what it has to offer you as an individual and your employer. The 'fast-track' route allows CCAB (ACA, ACCA, CIMA and CIPFA) qualified accountants the opportunity to gain the MSc qualification in a relatively short amount of time and is entirely geared towards part-time study.

As well as providing information about the MSc the evening will also enable you to gain some valuable CPD and give the opportunity to network with some local businesses and employers.

The timetable for the evening is shown below:

6.30 – 7.00	Introduction to the evening & MSc (Ian Evans)
